

# AUTOMATION UNIVERSITY ON THE MOVE

7th April 2011

Hilton Templepatrick, Belfast

	Room 1	Room 2	Room 3	Room 4	
08:30	Registration, Coffee & Networking				08:30
09:00	<b>Machine Safety</b> - Road map to compliance (B101)	<b>Integrated Architecture</b> - The backbone to optimise your plant (B201)	<b>PlantWide Optimisation</b> - Products and services to maximise operational efficiency (B301)	<b>Connected Components Solutions</b> - Optimised to meet your needs for simple and smart machine control (B401)	09:00
10:00	<b>Risk Assessment &amp; Safety Solutions</b> - implementation of ISO 13849-1 (B102)	<b>Process Automation Solutions Pt1</b> - Intelligent instruments integration and asset management (B202)	<b>Networks</b> - Implementing secure and robust Ethernet/IP networks (B302)		10:00
11:00	Coffee & Networking Time				11:00
11:15	<b>Integrated Safety</b> - Principles and implementation (B103)	<b>Process Automation Solutions Pt2</b> - Scaleable Batch Control solutions (B203)	<b>Operational Intelligence</b> - Software to improve efficiency and productivity (B303)	<b>Integrated Architecture</b> - The Power of One: End User and OEM lab fundamentals - Pt1 (B402)	11:15
12:15	Lunch - Networking Time				12:15
13:15	<b>Practical Strategies</b> to improve your Energy Management (B104)	<b>Legacy Migration - Advanced solutions for migration to RA Logix Platform</b> (B204)	<b>M.E.S.</b> - Effective production planning and measurement products (B304)	<b>Integrated Architecture</b> - The Power of One: End User and OEM lab fundamentals - Pt2 (B402)	13:15
14:15		<b>OEM Performance</b> - Design tools and products to maximise performance and value (B205)	<b>M.E.S.</b> - Effective production planning and measurement CASE STUDY (B305)		14:15
15:15	Coffee & Networking Time				15:15
15:30	<b>Intelligent Motor Control</b> strategies to improve operational performance (B105)	<b>Mechatronics</b> - Solutions for robot, pick & place and assembly operations (B206)	<b>Integrating Safety</b> with Compact GuardLogix and Ethernet/IP safety devices (B403)		15:30
16:30	Close				16:30

Presentation	Demonstration	Hands - On Lab
